Measurements are intended in millimetres. Size A is intended external to the container.  
In order for the tarpaulin system to fit perfectly the vehicle and work correctly, all required measurements must be taken accurately.  
Please send pictures of any relevant details not visible in the drawings below.

**BODY MEASUREMENTS**

**TYPE OF PROTECTION SHIELD**  
Select your type of protection shield and fill in the respective sizes

**POSITION OF MOTOR-DRIVEN BOW**
